**Update on COVID-19 Vigilance Measures**

Dear Members,

Pursuant to the Government's announcement, since the COVID-19 epidemic situation in Hong Kong has been stable so far, some social distancing measures will be relaxed suitably with effect from 20 October, 2022 (Thursday). The Club will launch the following measures until further notice. The detailed measures are as follows:

1. The maximum number of persons allowed in group gatherings in public places will be increased from 4 to 12;
2. Live performance and dancing activity will be allowed subject to the regulations and restrictions under Chapter 599F of the Laws of Hong Kong.

Other vigilance measures implemented previously are still in place, including temperature screening, mandatory scanning of "LeavHomeSafe" venue QR code and "Vaccine Pass", and pro-actively showing the scanning record, vaccination record, Medical Exemption Certificate, recovery record or Provisional Vaccine Pass to the staff members of the Club for record while entering the Club or other selected premises. In addition, wearing of face masks at all times (except when eating or drinking) and maintaining social distancing at least 1.5 metre apart from others are also required.

The Club will continue to closely monitor the epidemic situation and review the various measures as required.

The Management has been directed to enforce all precautionary measures strictly and to take necessary disciplinary measures against non-compliance. Any member found not to be abiding by these restrictions that are for the benefit of our members and staff, will be called to the General Committee for review.
