**Update on COVID-19 Vigilance Measures**

Dear Members,

Pursuant to the Government's announcement, anti-epidemic measures have been adjusted with effect from 14 December, 2022 (Wednesday), i.e. today. The Club will launch the following measures until further notice. The detailed measures are as follows:

1. Members and guests do not need to scan the "LeaveHomeSafe" (LHS) QR code when entering the Club and other selected venues. However, all of them using Food & Beverage, and Sports & Recreational facilities are still required to comply with the "Vaccine Pass" requirements (in general three doses for persons aged 12 or above; two doses for persons aged 5 to 11), and proactively scan their Vaccine Pass QR code\* and present to the Club's staff for checking with mobile application;
2. Members and guests with "Blue Code" of "Vaccine Pass" are allowed to enter the Club.

Other vigilance measures implemented previously are still in place, including temperature screening, wearing of face masks at all times (except when eating or drinking, and other specific conditions), maintaining social distancing at least 1.5 metre apart from others and the prohibition of group gatherings of more than 12 persons in public places are also required.

The Club will continue to closely monitor the epidemic situation and review the various measures as required.

\* Vaccine Pass QR code : presenting through LHS, "iAM Smart" or "eHealth" mobile applications, or using paper copy/screenshots in mobile phone is acceptable.

For further enquiries, please feel free to contact us at 2397 4311. Thank you for your understanding and continued support.

Yours sincerely,

The Club Management
