Update on COVID-19 Vigilance Measures

Dear Members,

Pursuant to the Government's latest announcement, the Club will further ease some coronavirus restrictions from Friday, 18 September:

- Recreational Facilities:
 - All recreational facilities will be reopened subject to the relevant requirements and restrictions, except sauna rooms, steam rooms and children playroom ball pit.
- Restaurants:
 - Dinner dine-in service hours will be resumed. No more than 4 people allowed per table.

The Club will continue to closely monitor the epidemic situation and review the various measures as required.

Other vigilance measures implemented previously such as temperature screening, wearing of face masks (except when consuming food/drink) and maintaining social distancing at least 1.5 metre apart from others are still in place. Members are reminded to register and fill out a Travel and Health Declaration Form for their guests in advance.

The Management has been directed to enforce all precautionary measures strictly and to take necessary disciplinary measures against non-compliance. Any member found not to be abiding by these restrictions that are for the benefit of our membership and staff, will be called to the General Committee for review. We do apologise for any inconvenience these precautionary measures may cause.

For further enquiries, please feel free to contact us at 2397-4311. Thank you for your understanding and continued support.

Yours sincerely,
Club Management
