Circular No.: 001/22

23 August 2022

Dear Members,

**Notice of Adjustment of Membership Monthly Subscription &
Application Fee of "Absentee Membership"**

The Club has always place emphasis on improving its facilities and enhancing service quality. Over the past eleven years, the members have been charged the same amount of membership monthly subscription though the operation costs of the Club continue to rise. Unfortunately, the Club faces grave and prolonged challenges during the past two years because of an outbreak of COVID-19 pandemic. If the current amount of monthly subscription remains unchanged, it is inadequate for the Club to cover all operating expenses and provide premium services. Hence, the General Committee Meeting of 20 July 2022 has resolved to adjust the membership monthly subscription as stated below with effect from 1 November 2022.

Ordinary Membership & Spouse Membership : from HK\$950 to HK\$1,200

Company Membership (for each nominee) : from HK\$950 to HK\$1,200

In line with the adjustment of monthly subscriptions, the application fee of "Absentee Membership" (which is equivalent to two-month subscription) will also be adjusted from HK\$1,900 to HK\$2,400 with effect from 1 November 2022.
