Circular No.: 006/23

Dear Valued Members,

**New Arrangement of Indoor Swimming Pool Usage**

Due to the impact of the Outdoor Swimming Pool maintenance project, there has been an increasingly usage of the Indoor Swimming Pool. Some members have concerns about overcrowding, resulting in diminished swimming environment and a decrease willingness in pool usage. After careful consideration and discussion within the Recreation Sub-Committee, in order to safeguard the interests of all members and prioritize their usage, the following new arrangement will be made to the Indoor Swimming Pool usage:

Starting from 16 October, 2023, until the reopening of the Outdoor Swimming Pool, the Indoor Swimming Pool will only be open to members and his/her family members on weekends (Saturday and Sunday) and public holidays. The usage arrangement for members and members' guests on weekdays (Monday to Friday) will remain unchanged. This arrangement also applies to any swimming training classes conducted at our Club.

This new arrangement is made with the foremost consideration for the interests of our members, aiming to provide a more enjoyable and comfortable swimming environment, reduce overcrowding, and improve the availability of facilities.

We apologize for any inconvenience this may cause, but we firmly believe that this new arrangement will result in a better experience for our members. We appreciate your understanding regarding the implementation of the new arrangement.

If you have any inquiries or suggestions, please feel free to contact us at 2397 4311.

Yours sincerely,

Management
